Meerkat Maths Practice Sheet – Grade 4 · Money and change – Memorandum

1. **R22,00**
   R12,50 + R9,50 = R22,00

2. **R34,00**
   R50,00 − R16,00 = R34,00

3. **R15,00**
   2 × R4,00 + R7,00 = R15,00

4. **R7,50**
   R20,00 − R12,50 = R7,50

5. **sandwich (R16,00)**
   Compare the prices: R16,00 is the biggest

6. **R31,00**
   2 × R10 + R5 + 3 × R2 = R20 + R5 + R6 = R31,00

7. **4 bags, R2,00 left**
   4 × R7,00 = R28,00; 5 × R7,00 = R35,00 is too much; R30,00 − R28,00 = R2,00

8. **R11,50**
   R16,00 + R12,50 = R28,50; R40,00 − R28,50 = R11,50

9. **6 weeks**
   Count in 15s: R15, R30, R45, R60, R75, R90 → 6 weeks

10. **R9,00**
    R36,00 ÷ 4 = R9,00 (check: 4 × R9,00 = R36,00)

11. **R30,50**
    2 × R16,00 = R32,00; 3 × R12,50 = R37,50; R32,00 + R37,50 = R69,50; R100,00 − R69,50 = R30,50

12. **2 bags of popcorn, by R2,00**
    4 × R4,00 = R16,00; 2 × R7,00 = R14,00; R16,00 − R14,00 = R2,00

Stars: 6 right = 1 star · 10 right = 2 stars · 12 right = 3 stars ☆☆☆
