Position on maps and grids

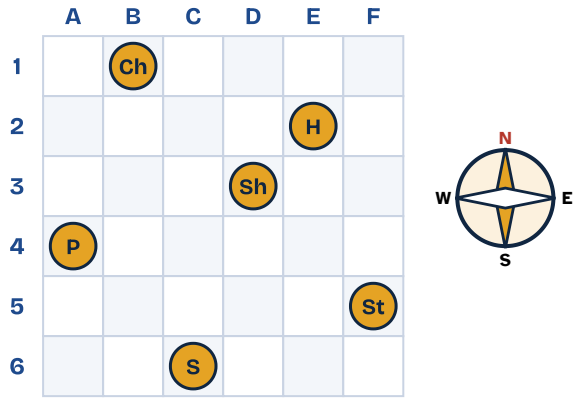

Name: _____ Date: _____

Remember: First the letter (column), then the number (row), like C4. North is at the top, south at the bottom, east on the right and west on the left. East and west change the letter; north and south the number.

Use the map for all the questions.

Ch = church, H = hospital, P = park, St = station, S = school, Sh = shop

North is at the top.
